Initiative page only displays the initiatives that the user manages: Jacob

Camera permissions: Casey

QR scan checks in a user when their QR code is scanned: Casey

#### Mentor Feedback

- Mid-Iteration Feedback
  - Looks good!
- End of Iteration Feedback
  - Iteration 2 looks good!
    - This was the only feedback for this iteration
  - Change the check in logic to handle multiple shifts
  - Be able to check in a user to the nearest shift they are signed up for
- Changes
  - No changes for this iteration

# Client Feedback

- Feedback
  - Looks good!
    - This was the only feedback for *this* iteration
  - Add a self check in page
  - Be able to automatically checkout the user at the end of the shift
- Changes
  - No changes for this iteration

## Iteration 4 Features

- Create a self check-in page
- Modify the profile page to pull volunteer hours from the API
- Modify check in logic
- Add the ability to check in/out by tapping on the page
